Hi Lorraine

I am just having a think about stocking the community fridge and how we can get plenty of fresh food into the fridge. I'm not sure if you are the person I need to talk to but I was wondering if there was a way of putting a plastic box within the allotments in Mountsorrel for owners to put a donation in if they have a surplus of produce? A little like the donation points you see in the local supermarkets. I would collect it each time I came to fill the fridge, which would be 2 days a week. Also another thought was to have a planter (like below but smaller) outside the Parish rooms if there is space to grow herbs in so people can pick their own when visiting.

Let me know your thoughts

Kindest Regards,
